

ALLEN DAI

617-820-0825 ◇ allendai1@hotmail.com

EDUCATION

University of Massachusetts Boston

2020-2024

BA Computer Science

Overall GPA: (3.97/4.0)

Honors: Deans List, Chancellor's Scholarship

TECHNICAL PROJECTS

File Sharing Web App

May 2021 - June 2021

[Site, GitHub]

- Built a web app using primarily React and Firebase that allows users to upload files and create links to share them for others to download, similarly to Imgur or Gyazo, but for more than just images.

Portfolio Site

May 2021 - June 2021

[Site, GitHub]

Designed and implemented a personal portfolio site that shows more about myself and allows me to demonstrate my creativity.

Multiplayer Card Game

January 2021

[Site, GitHub]

Implemented a 2-player version of the popular Chinese "Big-2" card game using JavaScript and Express with Socket.io.

TECHNICAL SKILLS

Languages: JavaScript • TypeScript • Python • Java • GraphQL • HTML/CSS

Technologies: React • Gatsby • Node.js • Express.js • Tailwind • Git • Firebase
